

BERESFORD MONTESSORI

Since 1992

Summer Camps!

June 18 - August 9

Join us for our fun and educational Zoology Camp in Combination with our Montessori enriched Math, Language, Practical life, and Sensorial curriculum. Our camp will provide children the opportunity to learn and grow in a loving and nurturing environment.

Preschoolers through First Graders may enroll in our summer fun program.

Zoology Camp Will Include the Following:

- Zoology, an overview of animal kingdom
- Montessori Academic Curriculum
- Cooking
- Gardening
- Arts and Crafts
- Music and Movement
- Children's Literature Enrichment
- Soccer
- Outdoor games
- Special guests, and more.

Afternoon Spanish Immersion Program: The children will be immersed for 2 1/2 hours through music, games (indoor and outdoor), art projects, cooking, dance and movement!

Our Camps are taught and led by our Highly Qualified year round Teachers!!

| | |
|---------------------------|---|
| June 18 - 22 | Classification of living and non-living, vertebrates and invertebrates. The children will learn the similarities and differences of animals as they observe and classify them. |
| June 25 - 29 | Intro to the Five Vertebrates: Fish, Amphibians, Reptiles, Birds, and Mammals. |
| July 2 - 6 | Fish, a visit from the Marine Science Institute will be included. (No School on Wed. July 4) |
| July 9 - 13 | Amphibians: Will learn the life cycle of amphibians. |
| July 16 - 20 | Reptiles: The Lizard Lady will visit with real reptiles. |
| July 23 - 27 | Birds |
| July 30 – August 3 | Mammals. We will have pony rides. |
| August 6 – 9 | Insects (Invertebrates). The Insect Discovery Lab will be visiting. |

Both sessions will have soccer on Mondays and Tuesdays of each week. The children will learn the basic rules of soccer and will also develop important leadership and teamwork skills.
